Student Testimonials

Pooja Padmakumar
Software Engineer
IBS Software Trivandrum

College life at STIST was a new chapter in my life. I had a good set of inspiring and motivating professors who helped me to reach the place at which I am today. STIST also helped me get my placement and today I am happily placed at IBS.

Merlyn Thomas
Asst. System Engineer, TCS

Four years at STIST was remarkably the most happening days of my life because these days won't come back again. I would like to thank my college for giving me such a life cherishing experience.

Aswath Mohan
Graduate student at University of Michigan

During my association with STIST, I have had the opportunity to grow beyond the four walls of the classroom with N.S.S activities, arts, sports, and other extra-curricular activities. The bonds I forged and the memories I created here at STIST will always remain cherished.

Tinu Santhosh
Application Development Analyst – SAP Accenture, USA

I will never forget the great time I had being in St Thomas. Our professors provided us the notes and links that helped us prepare for exams. I really want to thank my department professors for the support and care.
