Logo reveal TAEZIZ – 2024

The Civil Engineering department tech fest logo reveal was a pivotal component of our department participation in the annual tech fest. The objective was to unveil a dynamic and captivating logo animation that encapsulated the spirit of innovation, technical prowess and collaborative spirit within our department. The execution of the logo reveal involved a collaborative effort among students and faculty members. The collaborative effort behind the logo reveal symbolized the spirit of teamwork and camaraderie within our department, highlighting the importance of collective action in achieving our goals. The logo reveal was launched by Principal Dr. A G Mathew on 13th February 2024 at 4:00 pm in college main entrance. During the logo reveal live quiz competition were conducted.
