

ONE DAY TRAINING PROGRAMME ON TOTAL STATION

DEPARTMENT OF CIVIL ENGINEERING

Department of Civil engineering in association with TAEZIZ (Civil engineering Student's Association) jointly conducted a one day training programme on Total station on 23/06/2023. A total of 32 students from S6 attended the training programme. The training included a comprehensive range of topics essential for understanding and utilizing Total Station technology. The training aimed to provide an introduction to Total Station, basic principles of operation, setting up procedures, data collection techniques, data processing, field exercises, contour mapping, advanced features, best practices, safety guidelines, and a Q&A session.
