

## **Expert Talk on – “Building the future in Civil Engineering”**

The Department of Civil Engineering in association with Rajadhani Career Academy, conducted an expert talk on ‘Building the future in Civil Engineering’, by Mr. Prijeesh S, Managing director, Rajadhani Constructors & Faculty head, Rajadhani Finishing School, on 20th October, 2023 from 2:30pm to 4.20pm. Around 55 students have registered and attended the session, which was coordinated by Mrs. Sreeja.M.D AP, CE. E-certificates were provided for the participants. The aim of this technical session is to make the students to know about the gap between academics in the real world. It was a great learning opportunity for the Students. They got essential basics about Civil Engineering courses.

The poster is for a technical talk titled "BUILDING A FUTURE IN CIVIL ENGINEERING". It is organized by the Department of Civil Engineering at St. Thomas Institute for Science & Technology, Trivandrum (STI). The speaker is Mr. Prijeesh S, Managing Director of Rajadhani Constructors and Faculty Head of Rajadhani Career Academy. The talk is scheduled for Friday, 20 October 2023, from 2:30 PM to 4:20 PM, in the Seminar Hall. The poster also mentions that the session is for B.Tech (Civil and H.Tech) 10th Tech students. The staff coordinator is Mrs. Sreeja M.D. The poster includes logos for STI, TRAZZ, and NEA, as well as social media handles for the institute.
