

Department of Electronics and Communication Engineering
Accredited by the National Board of Accreditation (NBA)
MINIPROJECTS

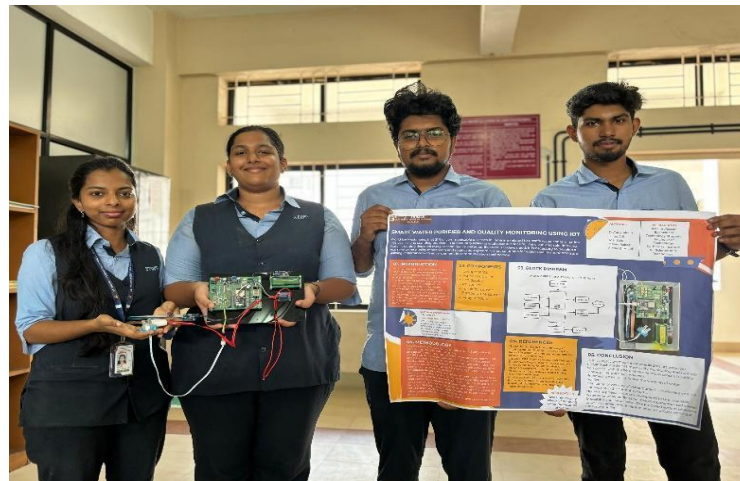

AY 23-24

SL NO	NAMES OF STUDENTS	S6 MINI PROJECT NAME	GUIDE	NAME OF PAPER PUBLISHED	PUBLISHER	ACHIEVEMENT
1	Ameena SS Arathy M, Gayathri S Babu	Line Fault Detection And Alert System	Dr Anju S	Line Fault Detection And Alert System Using IOT	International Scientific Journal Of Engineering And Management Doi:10.55041/Isjem01994	International
2	Dravid R Krishna, Ameen Muthalif, Rohan K Thomas, Rahul A R	Flood Shield Project	Mrs.Preethi Elizabeth Iype	Flood Shield Project	International Scientific Journal Of Engineering And Management Doi: 10.55041/Isjem01996	International
3	Dhanya R L, Reshma M, Kevin Renjudas, Hanna Thomas	Fisher Men Tracking System Using Water Data Communication Module	Mrs. Neetha Merin Thomas	Fishermen Tracking System Using Water Communication Module	International Scientific Journal Of Engineering And Management Doi:10.55041/Isjem01995	International
4	Gayathri J R , Gouri Krishna R D, Nidhi Prasad C	Emergency Alert System	Mr Rony K Thomas	Emergency Alert System	International Scientific Journal Of Engineering And Management Doi:10.55041/Isjem01998	International
5	Hima A S, Joel Saju, Meera Rajesh, Siddarth H Lal	Smart Water Purifier And Quality Monitoring System Using Iot	Dr.Tony Alwin	Smart Water Purifier And Quality Monitoring Using IOT	International Scientific Journal Of Engineering And Management Doi:10.55041/Isjem02000	International
6	Nikhil A V, Nikhil Boby, Niranjan Lal, Richu Shiju	Intelliglove	Mrs. Anu Babu	Intelliglove	International Scientific Journal Of Engineering And Management Doi: 10.55041/Isjem01997	International
7	Nandana S Babu, Lima A S, Saranya S L	Arduino Based Joy Stick Control System For Upto 4 Devices	Mrs. Neetha Merin Thomas	Arduino Based Joystick Control for Up To 4 Appliances	International Scientific Journal Of Engineering And Management Doi: 10.55041/Isjem01999	International
