

## Concise report on placement related activities for the period 2019-2020

“Let us think of education as a means of developing our greatest abilities, because in each of us there is a private hope and dream which, fulfilled, can be translated into benefit for everyone and greater strength for our nation” – President John F. Kennedy

Placement and Training is an integral component of engineering education. It is a great opportunity for students to get an insight into the world of everyday working. For Engineering aspirants, STIST provides the best placement opportunities through campus recruitment involving renowned companies like INFOSYS, TCS, IBS, DXC TECHNOLOGIES, POLUS SOFTWARE, SPERIDIAN TECHNOLOGY, JARO EDUCATION SOFTWARE etc.

Mentioned below is a Glimpse through the activities.

On October 17,2020, Allianz Technology,Technopark, as part of Prayaan Wave 2, organized a placement drive exclusively for the final year students of STIST and shortlisted 17 students.

In January 2020, ‘Allianz Technology’ conducted the second round of interview for the 17 shortlisted candidates and 9 were chosen for the final interview at Technopark. These students shall be joining after the completion of the course.

On February 28 & 29, KTU organized a pool drive in association with Infosys for all the colleges’ under KTU and students from STIST participated in the drive held at Kottayam and the successful candidates from STIST received call letters from Infosys.

‘Life Chef’, a training firm organized a five-day training in the first week of February and covered essential areas like Interview skills, Group discussions and Resume writing for the Pre-final and Final year students.

‘TIME Institute’ organized an aptitude test and interview skill session for all departments. A two hour session was arranged daily in the afternoon for final years to crack the aptitude tests and interviews.

JAY’S ACADEMY: Training and Placement Cell of STIST organized a virtual training session for a period of two weeks: from 9-21 October 2020 in association with Jay’s Academy for the final year students of STIST. The training focused on Numerical Reasoning and Verbal Ability along with sessions on GD, soft skills and programming & coding.

### Mega Placement drive

STIST conducted a mega placement drive on 5 March 2020 at the campus involving the below listed companies -

1. J'ouvermatics
2. Gipra Technologies
3. Seed India Pvt Ltd.
4. Tech Masters
5. Harauto
6. Jack Constructions
7. Space Constructions
8. Bond Interiors

Students from eleven colleges participated in the drive. The total registered participants were 168.

On 18 June 2020, 'TIME' in association with STIST conducted a webinar for STIST students on the topic "Best career choices in the current economic situation". This was attended by around 200 students.

In addition to the above , STIST took the initiative in sending students to various drives and training programmes organized at several colleges and institutes to familiarize them with GDs and Interviews to become successful interviewees.

"The best training and development programmes change the way people see themselves"
