Red Ribbon Club
Report

The Red Ribbon Club organized a talk on the subject “Eliminations of Mother to Child Transmission of HIV (EMTCT)”. The talk was conducted on 1st Dec 2021 at the Seminar Hall. The session started by 3:30 PM and was concluded by 4:30 PM. The meeting started with the Presidential Address of the Principal Dr A G Mathews. The talk was taken by Mr. Joltin Rappai, State Program Specialist, SAA-THI, Trivandrum. The speaker explained about HIV and AIDS, how it is transformed and precautions to take. He also explained about the importance of preventing the disease to spread from Mother to Child. He conducted the talk as an interactive Q&A session and took many questions from the participants. Almost 120 students attended the meeting.
