NATIONAL SERVICE SCHEME (NSS)

Blood Donation Camp Report

Date: 23/07/2025

Organized by: NSS Unit, ST THOMAS INSTITUTE FOR SCIENCE
AND TECHNOLOGY

In collaboration with: **Dr. Somervell Memorial CSI Medical College Hospital,
Karakonam**

Objective: To organize a blood donation camp and collect blood units for the benefit of patients in need.

Event Details

- Number of Donors: 45 Students, faculty members, and staff donated blood.
- Donation Process: The blood donation process was conducted under the supervision of medical professionals from Dr. Somervell Memorial CSI Medical College Hospital, Karakonam.

Impact

- Saving Lives: The collected blood units will help patients in need of blood transfusions, thereby saving lives.
- Awareness: The camp created awareness about the importance of blood donation among students and staff.

Team Efforts

- NSS Volunteers: 15 NSS volunteers actively participated in the organization and execution of the blood donation camp.
- Medical Team: The medical team from Dr. Somervell Memorial CSI Medical College Hospital, Karakonam provided expert guidance and support.

Appreciation

We would like to express our gratitude to Dr. Somervell Memorial CSI Medical College Hospital, Karakonam for their support and guidance. We also appreciate the enthusiasm and participation of our students, faculty members, and staff.

Conclusion

The blood donation camp was a huge success, and we are proud to have contributed to the noble cause of saving lives. We look forward to organizing more such events in the future.
